Monkshouse BAFTAs Club are committed to meeting the EYFS Welfare requirements and meeting the individual needs of children attending. We aim to do this by:

- Discussing with parents on their child's entry to the setting their individual dietary needs, any allergies and any religious requirements.
- Recording information about individual children and ensuring that all staff are aware of those needs.
- Providing nutritious food.
- Ensuring that where children bring meals, parents are aware of the need to provide healthy foods.
- Discussing with parents regarding their children's needs on a regular basis and updating records accordingly.
- Ensuring that children are offered food and snacks according to parents' wishes and cultural and medical requirements and individual needs.
- Displaying information about meal and snack times
- Informing parents of the storage facilities for food and drinks
- Providing meal times that are social times where children feel comfortable, staff participate, and independence is encouraged
- Providing fresh drinking water/ other appropriate drinks at all times
- Working with required agencies to ensure all requirements are met

We will make every effort to help educate the children and parents about the importance of a healthy balanced diet, and the importance of a healthy lifestyle.

We will take into consideration cultural, religious and other dietary requirements when planning our menus, and by working in close partnership with parent/carers will ensure that we meet their child's particular needs. This will also provide us with a valuable opportunity to introduce all of the children that attend our setting to different cultural food types.
