

## Year 5 Homework Projects – Term 2

Below are seven options for homework projects for this term. Each project incorporates different skills and you should choose at least one of these to complete before the end of term. Each project has a number of house points attached to it; we have allocated the number of house points according to the level of difficulty/time needed for each project.

Although you may choose to complete more than one project we must stress that it is quality not quantity that counts; we would rather receive one well-researched, carefully thought out and beautifully presented project than three rushed pieces.

All projects should be returned to school no later than Wednesday 13<sup>th</sup> December 2017

Project	Number of House Points Achievable
1) Create a phases of the moon diary	10
2) Make a film review of your favourite space-themed film e.g. Wall:E, ET, Star Wars, etc.	10
3) Write <u>your own</u> space themed poem – best presentation with space-themed border!	10
4) Write a short story about a UFO landing in your back garden!	12
5) So you want to be an astronaut? Write an application letter to NASA	12
6) Design and create a 3D space helmet/alien mask	15
7) Make a 3D model of the solar system	20
