Parenting Group

Strengthening Families Strengthening Communities Parenting Group

Are you struggling with understanding your child's behaviour and how to manage it?

....You are not alone!

Instead of struggling on your own, come and meet with other parents to develop new skills and strategies to help you and your child.

Mothers, fathers, step-parents, grandparents and carers are all welcome to attend.

Our groups are informal and fun — with drinks and biscuits provided !

Explore Family Together:

- Increasing parents and children's self-esteem
- Supporting children's transition to adulthood.
- Enhancing parent/child relationships.
- Positive discipline to enhance self esteem, self-discipline and social confidence.

Also Exploring Community Together

- Family and community influences upon parenting.
- Factors causing violence in the home and community.
- Making a difference.
