

Communication and Language (Prime

Area):

- We are learning to listen and join in at the right time. We sit on the carpet and listen carefully at register and story time.
- We will be playing lots of listening games, guessing what is making a sound and having a go at making different sounds ourselves.

The World (Specific Area):

- We are learning all about each other and our special people at home. Please bring in a photo of your child and family to Nursery with the child's name on the back. It will be displayed in the classroom.
- We will be planting bulbs in the Nursery garden and enjoying the pumpkins that have been harvested.

Creative Development (Specific Area):

- We can paint, junk model, stick, cut, colour and decorate at Nursery. We will sometimes get mucky doing this!
- We will be exploring instruments and making our own shakers.

Our topic this term is

'Time To Rhyme'.

Literacy (Specific Area):

- We are reading lots of books about starting Nursery, tidying up and our family. 
- We will create self portraits and pictures of other members of our families. We will be singing lots of nursery rhymes, sometimes changing the words!

Extra Notices:

- For children coming to Nursery in the morning (8.45), we ask that parents drop children off at the front door and leave through the back gate. This will also happen at home time (3.15), however during lunch time collections and drop offs we will just use the front door.
 - You are invited to donate £3 every 6 weeks as a contribution towards extra snacks, cooking, food tasting etc. If you prefer you can pay £18 in advance for the whole year.
 - Please name everything that you send to school with your child.!
- 

Mathematics (Specific Area):

- We are learning to count to 5 by singing counting songs and playing number games.
- We will be exploring the colours of the rainbow.

Physical Development (Prime Area):

- We are learning to put on our coat and shoes independently.
- We will have fun with play-dough, dancing ribbons and balance benches to make our fingers and bodies strong!
- Each week we have a Funky Fingers challenge.

Personal, Social and Emotional

Development (Prime Area):

We are making lots of new friends at Nursery! We are learning to play with others and by ourselves. We are getting to know all the staff and they are getting to know us! Please log in to Tapestry to find out what we have been doing.
