

### Literacy

This term we will be writing recounts and stories based on familiar settings such as Rosie's Walk and Lost and Found. We will also be exploring information texts before writing our own leaflets all about the weather.

### ICT

The children will be learning about Algorithm, Execute and Debugging. They will be manipulating a photo using the computers and formatting them on Word. The children will take part in an E-safety and learn how to communicate safely and respectfully online.

### PE

- Games and Dance.

### PSHE

The focus this term will be on understanding how the children can make a positive contribution to their school and local community.

### Numeracy

- Counting, partitioning and calculating
- Securing number facts, understanding shape
- Handling data and measures
- Calculation, measures and understanding shape
- Securing number facts, relationships and calculating

### General

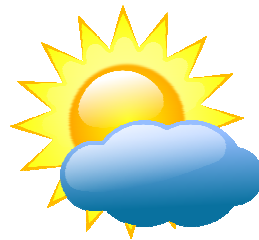

#### PE Days

- Mrs Lincoln -Monday and Tuesday
- Miss Pick- Monday and Tuesday

Homework is given out on Wednesdays and must be returned on Mondays.

Spellings are given out and tested each Thursday. Spelling books to be returned on Thursdays.

## SPLENDID SKIES

### Science

During this topic children will be looking at the seasonal changes across the year and how these are influenced by weather conditions. We will be exploring the weather conditions and investigating their effects on different materials.

### RE

Our focus for this term is Creation. We will be learning about the World's natural environment linking into harvest. We will also be exploring Christian views on how the World was created .

### Music

We will be listening to music, identifying its tempo and how the tunes make us feel– happy or sad. The children will also be making Rain Sticks and exploring how to make different sound effects.

### Art and Design Technology

This term the children will use a range of materials and techniques to create their own piece of work on clouds. The children will also design and make their own kites and test to see if it will fly.

### Geography

In geography the children will be looking at the seasonal and daily weather patterns for Spalding and then making comparisons with a contrasting country.
