

Sport Premium Money at Monkshouse Primary School

Monkshouse School has been issued with a substantial amount of money(Exact amount TBC) from the Government as part of the Sport Premium initiative. This sum of money is ring fenced and is to be spent by the school on 'improving the quality of sport and PE'. OFSTED will be focusing on how effectively this premium is used towards the given objective and as a school we will be held to account about how we have spent this money.

At Monkshouse School the Head teacher, PE Governor and PE Leader have given careful consideration to how this money should be spent and our rationale for spending the money is;

- To improve the quality of the sport and PE that we are already offering to the children; ensuring all children benefit
- Offer training opportunities to staff to improve teaching and learning and for CPD
- Ensure the school is able to participate in local tournaments and festivals
- Encourage more participation in a wider range of after school activities for all children; including FSM
- Encourage more positive play and structured play at lunchtimes
- Offer opportunities for children to experience new sports
- Develop intra school competitions

As a result of these discussions we are very pleased to explain how the Sports Premium will be spent during the academic year 2014-2015.

- Employment of a specialist level 2 sports coach from Evolve to assist teachers in the delivery of teaching high quality PE to KS2 children
- Entry fees and transport costs to local Inter school sports competitions and festivals
- Employment of coaches to deliver 2 after school clubs per week of sports requested after a parent/child questionnaire
- Whole school games training
- CPD package for 2 members of staff for a 6 week block to support with PE planning, delivery and evaluation
- Employment of a TA to run the Change 4 Life program (FSM)
- Support for the PE co-ordinator to assist the school in achieving the Kitemark award and to guide the monitoring of the impact of the school sports premium money
- Employment of coaches for 2 lunchtimes sessions to lead and structure play

Outside agency coach	£ 1,520

Yoga every week for a term for year 6	£250

Archery after school club	TBA summer 2015 if any money available
Pay TA to run chang4life for under achievers in PE £14 for 35 weeks	£490

Impact 2014-2015

We will evaluate the impact of the PE and Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements. The link governor will be involved in regular meetings with the PE leader for monitoring and assessment purposes. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation on PE and sport so that all pupils develop healthy lifestyles and reach the performance they are capable of.

Measuring the impact of the activities provided with sports premium funding can be achieved in different ways. We will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. Assessments are made both formally and informally using our school assessment systems as well as feedback from staff. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.

Impact 2013-2014

The school sport funding has impacted on the quality and provision of teaching and learning; teachers are now more confident when delivering PE lessons, a wider range of PE equipment is being used more regularly, children are enjoying their PE sessions as well as being more aware of a healthy lifestyles, tracking shows more children working to at least age related expectation.

A wider range of clubs has been offered throughout the year and some of these clubs have been oversubscribed. Reception and KS1 children now have the opportunity to attend a morning fitness club.

An increased amount of inter-school tournaments have been entered compared to the previous academic year.

GT and FSM children have benefited through funding for regional tournaments and attendance at the CGange4life club.

Sporting provision within school

Within school our timetables offers all KS1 and KS2 children with 2 hours of PE each week; an indoor gym or dance session and an outdoor games or athletics session. Teachers follow the Val Sabin Unit plans for gym, games and athletics and then dance activities are planned using topic ideas around the class theme for that term. Within KS2 each class will spend 1 term swimming for a session a week in the local pool. We follow the Activate program within KS1 at the start of the morning and afternoon sessions and the children have access to sporting equipment and Val Sabin positive play activities with trained leaders during lunchtimes. Throughout the year we take opportunities from outside agencies to come and deliver units of PE activities such as cricket and bikeability. The school

is regularly entering local sports competitions and festivals which include cross country, Tag Rugby, hockey, cricket, netball, athletics, gymnastics, rounders etc. etc. As part of our after school provision we offer a wide range of after school clubs to all year groups throughout the whole of the school year. These are very much in demand and are well attended.
