Dear Parent/Carer

## Publicity Consent

You will have previously received this form at some point during your child's time with us, however, due to the new data protection regulations we need to ask you to complete a new consent form regarding publicity.

The use of photographs is an important developmental tool which is widely used in play and educational settings for recording, sharing and displaying activities that your children have undertaken. At Monkshouse we take the issue of child protection very seriously and we would never knowingly publish an image of your child without your consent. Please complete the statements below with a YES or NO answer and return the form back to school as soon as possible.
