Book Fair

The last book fair of the school year will be held from **Wednesday 20th—22nd June** from 8:40-8:50am before school and 3:15-3:45pm. Please come and have a look and bring small change with you.

Date for your Diary!

Summer Fair

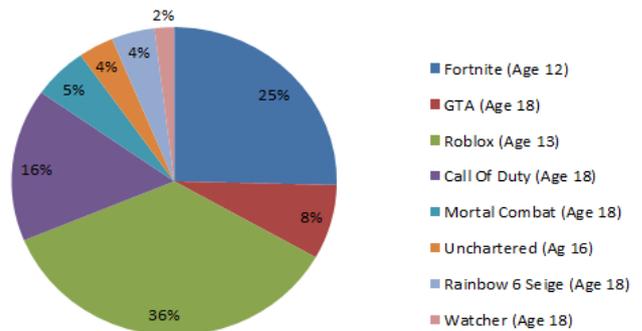

Please come along to our annual Summer Fair on **7th July from 12pm-2.30pm**. It promises to be a fun event with stalls, BBQ and entertainment. Please contact the office if you are available to help.

Digital Leaders

The Digital Leaders have been completing surveys on what sorts of games are played throughout the school and who they are played by. They then showed the percentages on Excel to see which game was the most popular game played at home.

Games Currently Played by KS2 Children aged 7-11

Roblox proved to be most popular with 36% of KS2 children playing this **age 13** game. The second popular game was Fortnite (**age 12**) at 25% and the third most popular was Call of Duty (**age 18**) at 16%. Children should not be playing on inappropriate games due to the content.

This is becoming an increasing problem with inappropriate games being exposed to children who are far too young and could be considered a safeguarding issue. If you have any concerns about what games your child may be playing please check the age found on the games or contact Sue Goodsell.

Parking

Please could we remind all parents/ carers that parking within the staff car park is **NOT** permitted. Please do not park in the staff car park when picking up children from school and/or clubs.

Well Done

Lukas Brackenbury has been awarded two amazing trophies by Spalding United Under 7's Football Club. He is their goalie and he was given the awards for 'The Most Improved Player' and 'The Training Award'.
What a superstar!

Well Done!

Our very own Cadance-Lilly ran 3 miles (1 lap) for Cancer research known as the Runstock Rat Race at the weekend. That is a very long way!
Congratulations!

Congratulations

Mr Price and his partner are expecting their first baby due this September.

Congratulations!

Holiday Club

We recently sent out a letter regarding the running of a holiday club for working parents for the first 2 weeks of the school holiday. Unfortunately due to lack of interest, the club will not go ahead. It will be reconsidered again in the new academic year for the Summer.

Lunchtime Award

KS1: Anrijs
KS2: Justine

Well done!

During International day. Miss Harris' class looked at Japan and Miss Pick's class looked at France. Both classes loved dressing up in the flag colours and trying different foods.

Miss Pick's class thoroughly enjoyed making the Eiffel tower using straws and Miss Harris' class enjoyed making lanterns. The children had lots of fun throughout the day!

Nursery

We are very proud to be donating £300.45 to 'Save The Children' from our Peppa Pig Muddy Puddles walk. Well done to all the Nursery children who completed the walk and thank you to all their sponsors.

Save the Children

Year 6 have started rehearsals for the end of term play and appeal for an arrow through the head headband and any stripy socks we could please borrow.

International Day

Kingfisher class had a great time on International Day learning all about Denmark. Did you know the UN World Happiness Report has rated Danes as the happiest people on earth two years in a row and the founder of Lego was a Dane? His name was Ole Kirk Christiansen and he began producing the bricks in 1958. The word Lego is an abbreviation of 2 Danish words - 'leg godt' meaning 'play well'. We heard and retold stories by Hans Christian Andersen and made a Lego house for one of his characters - Thumbelina.
