School Council

School council have been working really hard around school to help represent the views of their fellow classmates. During Term 3, they took on a project from Mrs Goodsell to rewrite the school vision statement so that it was child friendly. The school council representatives first consulted their classes to find out which words the children didn't understand. They then worked together to create our new school vision statement:

Our school will:

1. Help everyone to be the best they can be by giving us supportive teachers, an exciting curriculum, great learning spaces and sensible leaders.
2. Make everyone feel welcome by being inclusive and helping everybody to feel safe, special and respected.
3. Help us to get ready for our futures and teach us to work together with other people to solve problems.

Our vision is reflected in the school values that we chose:

- Teamwork
- Confidence
- Perseverance
- Caring
- Respect
- Responsibility

Attendance

Class attendance for 29th January - 2nd February goes to

KS1 - Mrs Wickham's Class 96.67%
 KS2 - Mr Slater's Class 94.29%

Overall school attendance is:
91.89%

In other news...

From 1st March 2018 we will no longer be able to take old £10 notes.  

World Book Day

Don't forget it's world book day on **1st March 2018**. It will be a "Picture Book" theme where all children (and staff) can **dress up as their favourite character from any story.**

So start thinking about your costumes!

In the last week of term, the Year 5 school council representatives then went and presented our new vision statement to governors who were wholly impressed.

Well done to school council on this fantastic piece of work ...watch this space for more school council news.

Key Stage 2 Reading Reward

Congratulations to those key stage 2 children who achieved the end of term reading reward on the last day of Term 3. These children had the opportunity to spend the afternoon on the i-Pads, constructing with the Lego, watching a film, colouring or playing sports.

Disappointingly, many children are still not achieving their place at the end of term reading treat as they are not reading at least 5 times each week

at home and recording it in their reading journals (space books).

Reading at home is fundamental to your child's success in school and we would like to thank the parents/carers who are supporting their children with this.

We have only reached the accolade of one key stage 2 class getting 100% of their class attending the reading reward treat - let's see if this can be beaten during term 4*ready, steady, READ!*

Year 3 Puffins 79%	Year 3 Swifts 54%
Year 4 Curlews 52%	Year 4 Sandpipers 92%
Year 5 Owls 68%	Year 5 Hawks 78%
Year 6 Ospreys 76%	Year 6 Falcons 80%

Mmmm lemonade....

Don't forget your orders should be brought into school in a named envelope with the correct money by **Friday 23rd February 2018.**

A Champion amongst us...

Our very own Millie came first in the 8-9 year olds 50m butterfly with South Lincs Competitive Swimming Club Championships.

Congratulations from us all!

Gymnastics club

Mrs Haynes and Mrs Smith would like to say a big thank you to all of the children who attend gymnastics after school. We're so proud of them all! They have all been working so hard and shown great commitment and determination to be able to achieve the level they're at now.

We are pleased to announce that at the end of last term the children pictured (Lucy, Grace, Phoebe, Rebecca, Ellie, Lexi, Olivia, Alex, Courtney, Aleksa) have achieved the grade they were working at and will be moving on.

Watch this space for more badges and certificates on the way!

Year 6

Before half term, year 6 visited the WW2 centre at Freiston Shore, near Boston. We were greeted by Mr and Mrs Sarge and Private Harrison, where we learned all about what life was like for British citizens during war time and the important jobs that everyone did - not just the soldiers. We had a fabulous time and went home very humbled.
