BAFTA

On behalf of all of the Bafta Team we would like to say a big thank you to both children and parents/carers for your continued support to make our second year another great success.

This is our last newsletter this term.

We hope that you all have an enjoyable break and that the weather remains as good as it is now (if not a little cooler). We all wish our Year 6 children and those in other year groups who are leaving us well in their new schools.

Sadly, we say goodbye to Mrs Parker who is moving house and starts her new job in September and Mrs Roberts as she goes on maternity leave to have her baby. We also say goodbye to Ms Harris, Mrs James and Mrs Quinton.

On an exciting note, Mr Slater will be getting married over the summer as well as Miss Pick! We wish you both good luck and sunshine for your special days!

Sue Ryder Thorpe Hall Hospice

Our very own Shannon from Year 6 ran 5km at the weekend in the Peterborough Fun Colour Rush and raised £175 for Sue Ryder Thorpe Hall Hospice.

*How fabulous!
Well done!*

First Aid

On Monday, Year 5 had the pleasure of a visit by experienced First Responders from Lives. It was extremely informative and gave the Year 5's practical first aid skills.

MONKSHOUSE HAS GOT TALENT

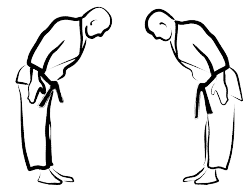

Well done to all the children who entered 'Monkshouse Has Got Talent'. We had several acts including singing, violin and diablo, all of which were at a very high standard! The overall winner was Martyna (Year 2).

Karate Competition

At the weekend, Sophie entered the International Championships for Martial Arts in Rugby. Sophie came 1st place in Points, 2nd place in Advanced Points and 1st place in Continuous. Sophie has been doing Karate for 4 years and has enjoyed competing for the last 2.5 years.

Watch out Monkshouse, we have our own Karate Kid in the making!

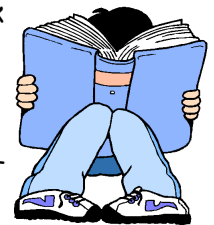

Year 3

Mr Myland's class have been working upon a project for the past two weeks. We've been learning about advertisements and persuasive writing, finding out what techniques are used. Using our previous learning in DT, where we created a recipe for potato cakes, we designed a new product to advertise. Presenting to our "Dragon's Den" we then decided which products we would develop further in groups. This week, we've used the iPads to create videos for our planned adverts. The children have really enjoyed using movie editing software to produce very professional results.
