## **Specific coronavirus advice – Italy**

In addition to existing Public Health England guidance (<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>) regarding travel from areas affected by coronavirus, the following should be noted in relation to Italy.

If in the last 14 days you have travelled from the following areas in Northern Italy:

### **Lombardi region, which includes:**

- Codogno
- Castiglione d'Adda
- Casalpusterlengo
- Fombio
- Maleo
- Somaglia
- Bertinico
- Terranova dei Passerini
- Castelgerundo
- San Fiorano

### **The following location in the Veneto region**

- Vo 'Euganeo

### **You should immediately:**

- stay indoors and avoid contact with other people as you would with the flu
- call NHS 111 to inform them of your recent travel to the area

**Please follow this advice even if you do not have symptoms of the virus.**

If you have returned from other areas of Northern Italy (defined by a line above, and not including, Pisa, Florence and Rimini) since 19 February **and develop symptoms of the virus**

### **You should immediately:**

- stay indoors and avoid contact with other people as you would with the flu
- call NHS 111 to inform them of your recent travel to the area

**Please note: you do not need to follow this advice if you have no symptoms**
