PARENTAL CONSENT FOR ADMINISTRATION OF MEDICINES

Medicine should normally be given at home (e.g. before coming to school, at the end of school and before bed time) except on exceptional occasions when parents/carers may complete this form to request that medicine be administered under the supervision of school staff or where a child is bringing medicine into school which they will self-administer.

Name of my child: _____

My child's teacher: _____

Name of my GP: _____

Name of medicine to be given and any special storage instructions:	When? (eg, lunchtime, after food, when wheezy, before exercise):	How much? (eg half a teaspoon, 1 tablet, 2 drops):	Route? (eg by mouth or in each ear):	What is the last date and time this medicine will need to be given?

I request that the treatment be given in accordance with the above information by a member of staff. I understand that it may be necessary for this treatment to be carried out during educational visits and other out of school activities, as well as on the school premises. **I recognise that Monkshouse does this as a service to parents and that schools are not legally bound to do this.**

I undertake to supply the school with the drugs and medicines in appropriate containers, labelled with child's name, medication, timing and dosage.

I accept that whilst my child is in the care of the school, staff are in the position of the parent and may need to arrange any medical aid considered necessary in an emergency. If this happens, I will be told of any such action as soon as possible. I can be contacted via the following during school hours:
