BAFTA

Please remember that we require a minimum of 24hrs notice for a refund to be given for any cancellations of BAFTA sessions.

Volunteers needed

We are in desperate need of people who could allocate a little bit of time on a regular basis to come into school and hear readers. If you think that you would be able to do so please could you come in and speak to the office. We would be very grateful and it is a very worthwhile way of spending time!

Year 6

Last week saw another very successful Year 6 Bistro evening. The children chose the menu then, prepared, cooked and served the food to 46 hungry parents.

The children also set up the hall into a beautiful restaurant and even washed up after each of the three courses. Comments were very positive from both the parents and children who participated in this evening. Mrs Wheatley would like to thank all those involved for making this evening an enjoyable and unforgettable experience for the children.

Easter Egg Hunt

The Nursery and Reception had fantastic fun last Wednesday at their Easter Egg Hunt. It was lovely to see parents come and join in the fun helping the children find various

Year 2

Kingfishers had a wonderful Science Day on Tuesday. We dipped coins in vinegar and salt to make them sparkle, looked at different materials and their properties and made our own parachutes. We found the larger the parachute, the better the descent!
